Cheryl and I were best friends for 25 years. We worked side by side at DHS. To know her would be to know the love and compassion that was in her heart. We shared lots of lunches and laughs together. We vented about our jobs and then laughed at each other. She was always positive and eager to think the best of people. She talked of her family often and how much she loved them. I couldn't have asked for a better friend. I will miss her so much because we were like sisters, but I will see her again.

I had the pleasure of working with Cheryl at the Department of Human Services and be a part of getting Cheryl to the hospital when she gave birth to her daughter, April. Both my husband and I have known Cheryl for over 35 years. Cheryl always seem to have a smile on her face which seem to light up the room when she entered. She will be greatly missed.
