Joe, Dallas, Brian and family, my prayers are with you, Sharon was a beautiful lady inside and out, I know she is going to be missed by all that knew her. She was such a great example of a godly woman. I count it a privilege to have known her and an honor to have assisted her in the "tiny tots" Sunday school class all those years at Phillips Chapel.

What a privilege to have known such a godly person. She was always a joy to be around. Sharon and I shared responsibilities directing the Phillips Chapel youth choir. Sharon and Joe along with Brenda and I put many miles traveling together to the annual NYC conventions to either direct or coach our youth in various areas of competition. And she loved singing and was always up to putting a trio together for a song before the preaching began. Heaven's choir has a wonderful voice to add to praising our God. Joe, Dallas, and Brian, our hearts share in the sorrow and also the joy of knowing we will meet Sharon again; eternally.

Miss Sharon & her wonderful husband Joe, were the kind of people who treated you like you were their best friend, even if they barely knew you. You knew that you could share things with her & she would love you & pray with you. She was the most gracious, kind, sweet & funny lady I knew. My heart goes out you Joe. I am so terribly sorry for your incredible loss. I know she is in the most beautiful place, but it doesn't take away the pain you all must feel. Pastor Brian, Carol, Hannah, Bryant, Avery & Olivia, I am so sorry for the loss of your mama & beautiful Grandma. You are in our prayers. We love you. Betsy

Sharon was the sweetest, most Godly lady, that I know. She has always held a special place in my heart, even after I wasn't officially in the family anymore. She had the best smile and gave the best hugs. She was a good support for my children throughout their life. I remember that she would come and pick up Kyleigh and take her over to her house to spend time with her after Hazel passed away. These are fond memories that Kyleigh will always have with her. Kameron and Kyleigh really loved their Aunt Sharon, and I did, too! I know Heaven is definitely sweeter with her there. She's now singing in the heavenly choir and enjoying all her loved ones gone on before. We will miss you, Aunt Sharon but will see you again some day!

Sharon was one of the most beautiful ladies I have ever known--both inside and out. She was my neighbor for several years when my kids were young. I came home from work one day and my two youngest kids were riding their bikes in her yard. I told them they could not ride their bikes in the neighbors yard. They said she asked them to. I wasn't sure I believed them so I went across the road and asked Sharon. She said if I didn't mind could they please ride in her yard. Brian had just gone off to college and she didn't have any more kids at home and it was terribly lonely for her. She and Joe were the best neighbors.

She will be missed greatly. We won't be able to attend her service on Saturday but know your family will be in our thoughts and prayers.
