Thank you, Aunt Betty, for the Thanksgiving memories, birthday cards, pumpkin pie and, most importantly, the example of how to be a caring and wonderful human being. Larry, Mike and Priscilla-Patricia, hang in there, relish the memories and remember how lucky we have been to be raised by these sisters.

Betty was like a second Mom to me. While planning my move to Fayetteville, AR from Baton Rouge, LA in September 2008, Betty helped me look for an apartment. We had so much fun! After moving in my apartment, L.D. and Betty came to my apartment to do some "honey do's". I still have the lamp that L.D. rewired for me. They were such a blessing for me! I was always invited to their home for Abbiatti family celebrations!! have wonderful memories of this caring, kind, and sweet lady.To the Abbiatti Family: Please know that I am thinking of you and praying for peace and comfort.Diane Didier
