We are so sorry to hear of the passing of Dr. Parker. When we moved to our home in 1987 little did we know that Bob, Connie and Brett were our across the street neighbors. They were so welcoming and encouraging. Truly wonderful neighbors. May memories sustain you at this difficult time. God bless you. Reuben and Patti GutierrezAlbuq, NM

Bob and Connie were the best of neighbors to my parents for more than twenty years. They were always ready to lend a hand, and after my Dad passed they kept an eye on my Mother for several more years. The kids were always polite and helpful and demonstrated the good upbringing Bob and Connie instilled in them. Our condolences to Connie and their offspring in their time of loss. They truly were the best neighbors and friends anyone could ask for!

"Dr. Bob" and the Parkers were our family's back-door neighbors throughout the years they lived in Albuquerque, NM. The Parkers are the embodiment of good neighbors and good people. Time has passed and families and neighbors have moved on, and moved away, and I'm grateful for the memories of these wonderful people who shared a fence as well as life's joys and burdens. Our love and prayers go our to Connie and Brett and the rest of the Parker Family. May your memories of this precious man and his meaningful life bring you comfort and joy.
