Sheila was a classmate of mine in McPherson, Ks. and she will be missed! I just remember we were friends and I had a terrible crush on her in Junior High.

Sheila was my sister-in-law, and I was also the flower girl at her and brother Ronnie's wedding when I was 3 years old. Though there were many years between us, I remember that growing up that I felt connected to her in a special way. She was like the cool aunt. She listened to my problems and always had a wise word and a shoulder to cry on. I remember her big smile, her ready laugh and her sharp wit. In later years my move to Canada kept me physically distant from a lot of my family, but I will always have a soft spot in my heart for Sheila, and my condolences extend to Ronnie, Kris, Mike and Scott and all the other members of the family. Sending you love and light...Suzy/Aunt Sue...
