Spencer was a wonderful friend, fishing buddy and fellow thrift store hound to Blake. They met in middle school but really bonded in Mr. Woods' WHAP at Jasper and in AVID. They became even closer at UArk. We have fond memories of Spencer spending weekends at the lake celebrating Blake's birthday. Blake loved to take friends tubing and see who would go flying off the tube first. The faster the better! What a fun kid to be around. Our hearts are broken. Kathleen Munroe
