Sarah Elizabeth Price

APR 8, 1985 - MAY 4, 2021

Sarah Elizabeth Price, age 36, passed away peacefully in her home surrounded by comfort and love on May 4, 2021 in Fayetteville, Ark. Her beloved Great Dane, Ollie, along with close family and friends, were lovingly watching over her as she finally left her body after a 12-year battle with Ocular Melanoma. As someone who has touched countless lives, Sarah left our world a more beautiful place than when she found it. She has had a magnetic zeal for life since her birth on April 8, 1985, in El Dorado, Ark. Throughout her life, she loved being outdoors, spending time with her family, going on adventures with friends, and living life to its fullest. An alumni of Little Rock Central High School, University of Arkansas, and University of Texas at Dallas MSA program, Sarah was highly regarded by her professional colleagues and gave back to professional organizations in her industry. She was active in her community and supported various causes including human rights, animal rescue, the arts, access to health care, and the environment.

Sarah is survived by her parents, Jim Price (Michelle Price) and Becky Thurman (Walter Thurman); two siblings, Jessica Price Easter (Stephen Easter) and James H. Price; her dog, Ollie; many adoring aunts, uncles, cousins, and fur-cousins; and her close friends and all of their children who know her as, "Aunt Sarah."

The love that Sarah gave to the people and creatures in her life is something everyone should aspire to embody. Her generous spirit will continue to embrace us with kindness, compassion, conviction, and courage.

Her family and friends would like to invite you to celebrate her life on Thursday, May 13th for a fundraiser to support research at the Ocular Melanoma Foundation. The event will be held at Black Apple Cidery at 321 E Emma Ave, Springdale, AR from 5:30-8:30pm. Sarah was such a kind person and good friend, and VERY smart. I was lucky to have her as a friend throughout junior high, high school, and especially college. We lost touch somewhat after she moved to Dallas, but we never had any problem whatsoever picking up right where left off whenever I'd see her back in Fayetteville, because that's just the kind of person she was. I moved back to Little Rock less than a year before she moved back to Fayetteville, and I hate that I missed her there because I know we definitely would have reconnected. The world has lost a truly wonderful person far too soon!
