I had the privilege of working with Steve at the "Gas Company". He was an absolute joy to be around and always had the biggest smile and the cutest laugh. Oh my how he loved his family. Allison you were the absolute love of his life and you were a perfect match. He loved his boys so very much. What an example he set for those around him. My prayers continue for all of the family. Though his life was short, he has left quite the legacy. God Bless, Tom and Janet Worley

Steve is also survived by a huge family at Northwest Church. He was so well received and such a people person. No one came through the door that wasn't greeted pleasantly when Steve was serving! He loved his family. He loved his church. He loved his friends. He loved life. He loved Jesus! Heavens gain is our earthly loss but I am so grateful to know he is w/ Jesus and we will meet again.

Steve was such a wonderful, caring, loving guy who is going to be greatly missed. He always knew how to make you laugh and loved having a great time. I am so thankful that he married Allison and got to be a part of her life, because it meant he was a part of my life as well, and my life is better because of the both of them. He strong faith and love of God was a huge inspiration. I will miss you Steve. Thank you for all the wonderful memories. I will think of you every time I look at the wooden flag hanging in my living room that you made for me.
