Very sorry to hear of the passing of Mr. Cable. I saw where he was a really good basketball player at Rogers and had a scholarship to the UA. That is a great achievement. And he also served his country by serving in the Air Force. Thoughts for him and to his family and friends during this time. May he rest in peace and love.

Shirlene - It was such an honor having you and Guy as next door neighbors in Alamo and we are so glad we had the privilege of getting to know both of you and call you very dear friends that we will always cherish. We loved Guy's sense of humor and I smile every time I think about the water fan you gave me so I wouldn't get so hot in church. Much love to you and God bless this special man's memory.
