I worked with Lisa at the Springdale News back in the late 80's early 90's. She was one of the best. Such a hard worker, great person and amazing friend. We had so many laughs together. Sharing the experience of being young mothers together was my best memory. She will be missed. Tammy Olszewski- Rowland

I was fortunate to work with Lisa for nearly 30 years at the paper. You could not ask for a better co-worker. What a wonderful person she was, always had a smile for you no matter how she might be feeling and never hesitated to help you if she could. This is a big loss for humanity because there are not enough Lisa's in this world. Family, I know first hand how hard the sorrow is and I am sending prayers up for you for God's comfort and healing.

I worked with Lisa in the late '80s at the Morning News. She always had a smile and was kind and thoughtful to her coworkers. She had a great sense of humor! She loved her family so much. My condolences to them. May your loving memories help you through trying times.
