## In Loving Memory of Richard John Lentine

Richard John Lentine, 59, of Tontitown, departed this world on November 15, 2023, and entered heaven to live with Jesus. Born on February 22, 1964, in Bristol, Pennsylvania, he was a beloved husband, father, brother, and son.

A passionate gymnast and skilled drummer in his youth, Richard's love for music, fitness, cars, and animals was evident throughout his life. A graduate of Penn State University, he dedicated his professional career to finance management with Wal Mart Transportation. Richard's commitment extended beyond the workplace, as he actively participated in his sons' sports, coaching youth football, basketball, baseball, and trap shooting.

Richard was a devout member of Cross Church in Springdale, where he served as a small group leader for teenage boys. Richard was preceded in death by his mother, Lois Cichowski Lentine. He is survived by his loving wife, Christy Lentine, sons Kurt (Courtney) and Nathan, his father Richard, and sister Toni Schwartz.

A memorial service will be held on Saturday, November 25, at 10:00 a.m. in the chapel at Cross Church Springdale. In lieu of flowers, the family requests memorial donations to Circle of Life Hospice, 901 Jones Road, Springdale, AR, 72762. Richard will be fondly remembered for his zest for life, dedication to family, and his enduring impact on those fortunate enough to know him.

I was Rick's roommate his last year of college. I just found out about his passing from the alumni magazine. He was a great guy and a wonderful friend and I'm sorry that we didn't stay in touch. My condolences on your loss. This is a picture of him picking up his degree after the graduation ceremony. Bill Hinko

I first met Rick in 2012 in a P&G/Walmart meeting when I started in Transportation for P&G. We immediately clicked and formed a trusted collaborative work process that has remained in place for the past 10+ years. In 2014 our paths crossed personally with our kids trap shooting together at Shiloh. Rick was a great man, who loved God and his family dearly. He always had a smile, a funny story, kind words and a sparkle in his eye when he talked about his family. I am blessed to have met Rick Lentine and call him my friend. - Sherry Moore

Very sorry to hear of Rick's passing. He helped educate me on a few processes early on, and was a good business partner and Walmart culture leader. - Travis Johnson

Worked with Rick at Walmart. He was always making us laugh with the "gun show".The birthday voicemails he would leave were funny and heartwarming. Loved his devotion to the Lord.He was always willing to dress for Halloween at the office. He was always a good sport with office pranks. We always had a good time.Was truly blessed to have his influence in my life.He will be missed and I can't wait to see him again in Heaven.

I am shocked to hear of Rick's passing. He was my first boss, he hired me into my first job at Walmart transportation for which I will be forever grateful to him. He was kind, funny and dear to everyone at work. He was a wonderful person. Was very proud of his sons and his wife. I will miss him but I know I will see him someday on the other shore.

Rick made me laugh no matter what kind of mood I was in. He had the kindest heart and was so witty. I use to make fun of those dang ducks he had on his desk. During COVID he would just pop up on zoom calls to show off his hair he had grown out and god forbid someone parked by his car in the transportation parking lot.. He made work fun and he will truly be missed! He was so proud of his boys and his wife.. He was definitely a family man. RIP buddy, until we met again ❤️👤
