## **Louis Albert De Sio**

OCT 28, 1943 - MAR 30, 2024

**T**he family of Louis Albert De Sio is sad to report that he passed away suddenly at home on March 30, 2024, in Fayetteville, Arkansas. He was a devoted husband and loving father and grandfather. Lou had a strong faith in Christ as his Lord and Savior and tried to live out his faith in love and faithfulness.

Lou was born October 28, 1943, in Chicago, Illinois, to Katherine and Bernard De Sio. He was one of four children in a close-knit family. He graduated with a BA from the University of Illinois, with a major in graphic design. After college he taught 5th and 6th grade science and math for several years before beginning to freelance in graphic design in the Chicago area. In the evenings he taught guitar at the Old Town School of Folk Music where he met his wife, Alma.

They moved to Arkansas, where he had fished once a year on the White River, and settled in Batesville. He opened Treble Clef Music Store in 1974, selling musical instruments, repairing instruments and teaching guitar lessons. One of his great loves was singing in the choir at First United Methodist Church.

Lou retired in 2011 to Fayetteville, to be close to his daughter and her family. His love of oil painting grew when the grandchildren were born. He left us many beautiful portraits of our family as well as landscapes of favorite travels – as well as hearts full of love.

Lou is survived by his wife of 50 years, Alma; daughter, Katie Mones and husband Greg Mones; granddaughter, Madeleine Mones; grandson, Manning Mones; sister, Bernadette Turner and husband Don Turner; nephews, Josh Turner and wife Julie, and Matthew Turner and wife Nancy; and many great nieces and nephews.

Visitation will be from 10:00 a.m. to 11:00 a.m., Thursday, April 4, 2024, at Nelson-Berna Funeral Home with funeral services beginning at 11:00. Burial will follow at Fairview Memorial Gardens in Fayetteville. Memorial contributions may be made to Christ Church, P.O. Box 10798, Fayetteville, AR 72703 or Actions and Truth Outreach Program, 205 Martin Luther King Blvd., Fayetteville, AR

My deepest sympathy to you and the entire family. Lou was a great friend and INCREDIBLE human being! He set up and repaired an infinite number of guitars for me and other bandmates. He had a magical touch with musical instruments! I miss all the great times we had together, eating twix candy bars, renting out his basement we called "the bat cave" and helping him in and around the store.

Lou gave me guitar lessons in the late 70's in Batesville. We remained friends over the years and I especially enjoyed taking him to see his friend, John Prine, at Walton Arts Center. We talked ourselves backstage after the show to visit and take pictures with John. Lou will be missed. The world has lost a kind, sweet man. Prayers for peace to his family. David Churchill
