Lisa and I were ZTA sorority sisters at Baylor. We lost touch with each other but Lisa was a force to be reckoned with! She had a dazzling smile with inner and outside beauty. I just saw that Lisa passed away in the Spring 2025 Baylor Magazine. May she rest in peace.

Lisa, Kellie and I grew up riding those horses just as fast as they would go. And Lisa after the third barrel running home would holler all the way to the alleyway. She was ways the onry one (or she was who we blamed it on anyway)! She was so beautiful and I don't know if she really knew it or not. But God said it was time for her to come home and we are left here waiting for when we get to go. I'll see you there Lisa!

Lisa, I am heartbroken to hear this. You were the best dog mom I could have ever found for dear Wellesleigh. We had such a party in Philadelphia that weekend. And not to mention the hours and hours of late night talks!!!! Gosh who will I call when I need to chat with someone at 3am!! I hope I can find Wellesleigh and make sure she continues to have the best life. If anyone has information on her dog, please call me. 856-839-1029

I was her attorney. Spent many hours with her. She liked to talk. She became a friend. We talked a few weeks ago. So sad to here about this untimely death. Sorry I missed the funeral as out of the country. Bobby Jones.
