Uncle Jim, I'm so grateful to have so many wonderful memories with you. Our year in Fayetteville when Aunt Wendy and you went out to eat with us every weekend is one of the funnest and funniest years of my life. With you, I remember trips to the Wilson Park castle, intense games of hacky sack, and so much laughter. Thank you for being such an important part of my life.

Jimmy you were my best friend in High School. You will be missed. I think about you every time I drive by your parents home. You loved to draw. You drew all kinds of pictures. You talked about joining the Military in High School. I hope you had a joyful life. Grace and Peace be with you and your family.

I had the privilege of working with Jim for several years. He was so patient with me on helping me with the computer. I would try to hurry him, and he would say "slow down". I loved him. He was definitely one of a kind. Wendy, so very sorry for your loss. Jeanie Ward
