Marsha and Marian Alvin and I are deeply saddened by the passing of Zola who meant so much to the two of us; she was our 'Fayetteville Mom' for the past thirty years. What a Joy! it was to be in her presence including phone conversations. Zola's legacy lives on in You! Your Mom's light will always shine brightly in your heart and the hearts of those she touched. May you be comforted with smiles and joy by many treasured memories of Zola including her notable educational and research successes and outstanding community service; she was a Phenomenal Trailblazer! God's comfort and peace to your family. We pray your faith will give you strength. Alvin/Dorothy
