Aunt Barb,I was so sad to hear of your passing. I know you suffered immensely in your human form.I remember you as a really cool woman!I sincerely hope your soul is free now and knows the love and light that is your essence. May you forever be held in the great heart of love, compassion, and peace.

Here's what I remember about you, Aunt Barb.You were my cool, fun, and beautiful Aunt Barb with big brown eyes full of life and love.I didn't know you well, but for some reason, Jesus let me see your soul when I was a kid.I was saying the Our Father prayer very slowly the other day. When I got to, "thy kingdom come, thy will be done", Holy Spirit said, "My kingdom is creation, and My will is love."I trust you and Jesus will heal the wounds of your soul and recreate you to breathe eternally in the life and love I saw your eyes.Your Niece,Jaimie Kulikowski
