So many good memories with Paul! Deer camp, hauling hay, cutting firewood, working cattle, turkey hunting near Russellville and drinking a refreshment around a good campfire. Paul and the Marinoni family are one of the reasons I so much enjoy the outdoors. I wish I had stayed in better touch but the memories will always be there!

I had the honor and privilege to visit with Mr Paul a few times in the past year. We connected on our love for our Italian culture and heritage. I have not yet had a chance to visit Italy, but I thoroughly enjoyed listening to Paul tell me all about his trips and favorite places in Italy. I felt an instant connection to Paul because he was just as passionate and proud to be of Italian descent, and I loved to see him light up when talking about our culture! Paul is now reunited with Miss Suzy, and who knows, maybe their Heaven has one of their favorite Italian vineyards....Saluti!

When we came to the church over 50 years ago, Mr. Marinoni was one of the first people to greet my family. He introduced my parents to other long time parishioners and made us feel welcome. I will always remember him for his smile, good looks and charm. May he Rest in Peace and his family be Blessed with fond memories.
