“ I lived on Kellyland St in Schofield next door to Brenda. I spent countless hours babysitting the "Preuss girls". Our families were good friends. She organized the Kellyland reunion, I couldn't attend but I heard it was a good time. I'm so sorry for your loss of Brenda. your family is in my thoughts and prayers

“ Brenda was such a kind and sweet soul. We worked together and even when I'd get off work she'd talk with me kindly and listen to me.

She was always so funny and kind though. I heard the news through a friend and wanted to send love and apologies to her family and close ones. May she Rest In Peace.
