“ Knowing the Linebarger family is one of the most precious memories I have of the the 28 years Earl and I lived in Tahlequah. As a musician, I was in awe of Jacque's talent and dedication, and as a friend, I was in awe of her vitality and zest for life. She set an example for all who knew her. I shall never forget her.
To David, Emily, and Anne: My loving, caring thoughts go out to you. Please know that you do not grieve alone.

“ I'd like to convey my deep condolences to David and all of Jacque's family. I began working for Jacque in October 2015 in the Human Resources office of the U of A. I appreciated and respected her professionalism and knowledge of the field. HR has lost a valuable resource in Jacque.

“ I was blessed to be Jacque's friend since we met in 7th grade. I can attest to her lifelong love for music. We shared the fun of playing percussion in our Jr. High School band - she was incredibly talented - and sang together throughout high school in the a cappella choir. It was no surprise to me that she became a choir director! And music was only one of many her talents. Jacque was a kind, caring and compassionate friend and a strong, competent and driven woman who could do anything she set her mind to -- a role model for her daughters and all of her friends. I will always treasure our friendship and miss her immensely. Condolences to Dave, Emily and Anne. Love, Vitina
