Jobey was a lifetime resident of the Bentonville/Centerton area and a graduate of BHS Class of 1982, then proudly served in the United States Marine Corp. “ As you entered Heavens gates, there was your friends that had gone on before, and there to meet you was your momma and your papa. And on the Throne you looked and there was your master, welcoming you to the great here after!

“ I first met the Howard family in 1966, when I needed some cream cans to haul water. I was sent to Col. Howard. He delivered a bed, the cream cans, and a few other items I needed for an empty house. The house had been loaned to me free of charge by the Thompson Family in Centerton, as I had a new baby, two boys and not much else. Over the years, I wrote this story and ate breakfast with Jobey for 12 years at the Centerton Inn breakfast society club. I thoroughly enjoyed his company and funny stories. He came into the Highfill store just a few days before he passed, sat down with us, and told us he didn't have long to go. I gave him a hug and told him I loved him. I will miss him so much as many others who truly loved Jobey. Dorothy Miller

“ Dear Nedra and family, So sorry to hear that Jobey has passed. My thoughts and prayers go out to all of you. I remember us playing as kids when my parents visited with your parents and played card etc. Jobey was just the nicest guy in the world.
