“ Jim and I send our deepest condolences to Rick, Dale and the family on the passing of your sister, Kay. I am heartbroken to learn of her passing today. We have remained close friends since 1974 while living in Danville, Virginia. She was one of the kindest and sweetest women I have ever known. May God comfort your family and embrace her wonderful memory.

“ Ricky and Dale, so sorry in your profound loss. Whenever I was around Kay and friends from Class of '68, she always made me laugh with her dry wit- we could always use more laughter. Feel at peace, knowing she is with your Mom & Dad, and Tom.
