Krystal was by far one of the most beautiful souls I've ever met. We were the very best of friends from 7th grade till we graduated. You never saw her frown, regardless of her struggles. She was amazing and had a smile that would brighten the room. During some of the darkest times I could not ask for a better friend! I love and will miss you!

“ *Though we went to many Church concerts, the one that sticks most in my mind was the Jason Crabb we went to with Martha, another dear friend of yours, gone too soon.*

I will miss you my friend. Your going home service was beautiful today. Pastor Monty did a great job telling us about your Jesus!

Today I read a saying that stars just might be openings from Heaven where the smiles of our loved ones shine down. I know you would be a radiantly bright one. Knowing your sense of humor, a ceiling light kept flickering on and off during the service, but it never wavered when Pastor Monty spoke. I couldn't help but know your spirit is with us! Love you my Friend and look forward to the day I see you again. Love and Hugs to Mike & Reta.

Till we meet again,

“ Our baby girl, our precious Krystal, our hearts are shattered beyond words, and you said you were tired. Jesus answered your prayers. You are now dancing on streets of gold with a completely healed body. We will meet you in heaven someday to worship our Savior.
You will always live in our hearts. Mother & Daddy
