“ No mere words can describe this kind, sweet man. I am so blessed to have been able to call him Dad. He was married to my Mom , Marjorie,, for a little over 21 years and was so devoted to her. I know they loved each other deeply. I know that he was also devoted to Jesus. Henry loved to spend time talking to my husband Bill and I about our children's ministry. Henry used to often tell me that I was his only daughter , with that said my Mom would say that he spoiled me rotten. When they lived in Florida, whenever I would go to visit he would want to immediately take me to get deep fried chicken livers and gizzards; just because he knew I liked them. He and my Mom would look forward to our visits and visits from my children and grandchildren. Henry adored my children (Megan and her husband Tom, and Tim) and my grandchildren (Jack and Maya). Jack and Maya looked forward to going for rides with Granpa Henry in his electric chair. They would even try to race him. I know that we will be together again one day in glory , and that you and Mom are now dancing and running around those streets of gold.

Until we meet again, much love from your only daughter!!💖💖

“ Henry loved to ride thru the neighborhoods in Zephyrhills, FL and Jacksonville, NC on his electric chair, with the little orange-pink flag. He raced around the corners with nothing holding him back. Everyone in the neighborhood LOVED ❤️ him!💖 He also enjoyed his video tapes and CDs about Childrens' stories, Walt Disney and most of all anything about The Lord he could find. Henry prayed and read his devotions daily, and he continued to do so in the Hospital as well, as long as he could. He laughed often, and was easily cheered up. Henry and his wife Marjorie enjoyed their lifes together in their own special way, and they treasured every moment they could spent with their children, grandchildren and great-grandchildren! A last happy memory that comes to mind right now was in the summer of 2016 when Henry & Marjorie, David & Linda, Pat & Frankie came to visit us so we all could have our first Pool-BBQ-Party together, and they all went into the water and absolutely loved it 💖💖 This was a wonderful gathering of all 3 sisters together with their husbands, and our family: Bailey Kaye, Chloe Faye, Jeff and I. We will miss them all FOREVER 💔💔💔
