“ Marilyn Burris was a good friend and taught my son when he was in fourth grade. She was the only teacher I requested to teach him in all the years he attended Elkins Schools. She was a wonderful mentor to me and I will always remember her with a smile. My love goes out to her boys and family.

“ Marilyn was a dear friend, a role model, and an amazing teacher. She helped me learn so much when I was starting my career. She was always there to listen and help. She taught both of my daughters and they loved her. My prayers will be for you to find peace in the days ahead.
