

## Rebecca D. Vockroth

August 18, 1954 - May 2, 2022

Becky, age 67, passed away peacefully on Monday, May 2, 2022 at Circle of Life Hospice in Springdale, AR. She is survived by her husband George Vockroth, her daughter Jeanne Vockroth Crowder, and her two brothers Danny Dessauer and Bryan Dessauer.

In lieu of flowers, memorial contributions may be made in Becky's name to St. Paul's Episcopal Church in Fayetteville.

When I die give what's left of me away  
to children and old men that wait to die.  
And if you need to cry,  
cry for your brother walking the street beside you.  
And when you need me, put your arms around anyone  
and give them what you need to give me.  
I want to leave you something,  
something better than words or sounds.  
Look for me on the people I've known or loved,  
and if you cannot give me away,  
at least let me live in your eyes and not in your mind.  
You can love me best by letting hands touch hands,  
and by letting go of children that need to be free.  
Love doesn't die, people do.  
So, when all that's left of me is love,  
give me away.

“ *Rebecca was our therapist at the Springdale Center for many years. She was an amazing lady who inspired those around her. She would go above and beyond to help the children and families in our program. She will be missed*

*I knew George but met his wife. It was obvious how much they loved each other. My friend is hurting big. May God grant him comfort and peace in this time of great loss. Blessings buddy.*

“ *After he family relocated to Northwest Arkansas from Louisiana, Rebecca and I came to know each other through our connection with Head Start in Lincoln, AR. She provided speech therapy for many children during her time here, and the children couldn't wait for her to come each week and 'play'! We would sit in my office and visit each week after her sessions with the children, and she we always fell back to talking about family. She adored hers, and was so proud when her daughter had an art showing on the Fayetteville Square one year! Rebecca always said our therapy room was cold, so I installed a cozy ceramic heater in the room just for her. It's still there today, and I think of her every time I turn it on during the winter!*

From Becky's childhood and lifelong friend Ali:

*"Becky was my friend during that wonderful time of innocence. Jacks, hopscotch, jump rope, Barbies, falling in love with the Beatles and learning the mashed potato in front of Mr. Herb's and Miss Fran's record player. When we walked to school, we would stop in an alley lined with honeysuckle. We'd pick the buds and suck the sweet off the stem. We learned to play the flute and twirl a baton together (she was always better at anything we did!). And she was my first "spouse". Both of our moms had black lace shawls that we used as veils, and we bought cheap ring to exchange. Miss Fran was our officiant, Mom made no bake chocolate oatmeal cookies, and one of the dads drove us around the neighborhood horn beeping.*

“ *Becky is one of the kindest, gentle people I've ever known. She had that Louisiana spice that made her fun and creative. She and George were a delightful, complementary pair. I imagine everyone who knew her loved her. I sure did.*
