“ Holly, I was greatly saddened to learn of your mother's passing. Margaret and I would like to express our deepest condolences to you, Joe, and your lovely family. You look so much like your mother, I'm sure she was every bit as sweet and lovely as you are. May the love of family and your many friends console you and help help through this difficult time. “ I was sad to hear that Winsy had passed away. She was my late husband's sister-in-law. She was a sweet person. She graciously hosted a bridal shower for me in West Memphis. When our kids were little she and her family visited us in Florida. When we went to the beach and swam in the Gulf Winsy loved floating in a large inner tube so much that she didn't want to get out of the water! 😊 After Tony died we visited her in Fort Smith several times and she would cook fantastic meals or treat us to the local restaurant. She went with us to Mount Magazine and seemed to really enjoy it. She loved her family and was involved in the grand childrens' lives. She was a dedicated teacher. Now she is in her Heavenly Home with Tony and Jesus but she will be missed here. My sincere condolences to her family. Praying for y'all as you grieve her passing.
